ISA Israel Section 2011 annual meeting success

The Israeli Section 2011 annual event took place on 22 September at the Tel-Aviv Sheraton Hotel. Just before the event, the committee had a special meeting with Jean-Pierre Haeut, who honored the section by participating in this special event.

At the event Itzik Shabat, who just completed two years as section president, presented all the accomplishments of the Israeli Section, including a very successful Congress in which 1,000 people participated in 30 lectures and visited the exhibition nearby.

Shabat presented the new elected committee and the elected president for the years 2013-2015, Ofer Stern.

Giora Brandwine, the current elected president presented his vision and working plan for the years 2011-2013. Honorary certificates have been granted to Leo Altchek and Arie Philip for all their years of dedication to ISA Israeli Section activities.

We would like to thank Haeut again for his contribution to the success of this event and hope to see him more in the following years to come.
